

*You're in good company!*

## New Funds Established in 2007

The Charlie Baker Legacy Award was created by an anonymous gift from "a close friend and a big, big fan" to honor Baker for "extraordinary service in a time of need." This annual award will provide the financial resources to support a grant for continuing education, travel, program development, or other similar pursuits in the area of United States history or geography. Baker and his wife, Dorrie Pizzella, are parents of a student at Runkle School and a recent graduate of Brookline High School. Their interest in supporting the study of US history and geography stems from their admiration for retired 7th/8th grade Social Studies teacher Gerry Kelly and his map project.

The Andrea Cilley Environmental Education Fund was established in memory of Andrea Cilley, a Runkle School parent. The Fund will honor Andrea's fierce desire to save the planet and her passionate love of nature by supporting professional development opportunities for Brookline teachers interested in enhancing education about recycling and environmentalism.

Executive Director Skye Kramer, Charles A. Baker and Board President Kitty Ames with a \$25,000 check establishing the Charlie Baker Legacy Award.

## Thank You, Thank You, Thank You!

We are extremely grateful to all the individuals and businesses named herein who supported the Brookline Education Foundation during our 2006-07 fiscal year. Thanks to your generosity, the Foundation will fund grants and awards totaling almost \$277,000 in the 2007-08 school year, including 33 professional development grants involving 212 educators.

With public education under continuing budget constraints, the Brookline Education Foundation's support of our town's outstanding educators is more important than ever. Thank you once again for helping us to enrich the professional and personal development of teachers and enhance the learning experience of every child in Brookline's classrooms.

### The Green Apple Society

The Green Apple Society is a diverse group of donors who make annual gifts of \$1,000 or more to the Brookline Education Foundation. The extraordinary generosity of these donors strengthens our ability to support outstanding teaching, innovative curricula, administrative leadership, and major educational initiatives.
