**In Their Own Words—Brookline Educators Say “Thank You”**

*This was an invaluable opportunity to not only update my content knowledge, but to bring the most recent information back to my students as we study sickle cell in our genetics and evolution units.*

—Amy Hintzman, Pierce School Collaborative Grant Recipient

*Because of the generosity of this grant, we were able to come away with firsthand experiences from the primary source that will more authentically inform our teaching...Our heartfelt thanks to you and all of the members and donors for this tremendous learning opportunity.*

—Joe and Paula Reilly, Lincoln School Teacher Grant Recipients

*Teachers who participated in this grant reported that what they learned helped them to change aspects of their practices resulting in stronger class communities where students felt empowered to take greater risks both academically and socially.*

—Eleanor Demont and Kathleen O'Connell, Heath School Collaborative Grant Recipients

**Thank You, Thank You, Thank You!**

We are extremely grateful to all the individuals, businesses, and foundations named herein who supported the Brookline Education Foundation during our 2007-08 fiscal year, which ended on June 30. Thanks to your generosity, the Foundation will fund grants and awards totaling almost \$285,000 in the 2008-09 school year. These include grants at each of Brookline's nine schools, pre-school through high school, ranging from individual teachers embarking on activities designed to renew them as professionals to whole school activities resulting in a new way of thinking about education.

The Foundation is honored by the contributions of so many and takes seriously the responsibility it confers on us. We thank you for supporting the Brookline Education Foundation and the Brookline Public Schools.

**The Green Apple Society**

The Green Apple Society is a diverse group of individuals and families who make annual gifts of \$1,000 or more to the Brookline Education Foundation. Their generosity strengthens our ability to support outstanding teaching, innovative curricula, administrative leadership, and major educational initiatives. To learn more about the Green Apple Society and the benefits of membership, please go to [www.BrooklineEducation.org/donate/green\\_apple\\_society.htm](http://www.BrooklineEducation.org/donate/green_apple_society.htm).
